

## **Higher & Lower Treglohan Self Catering Holiday Cottages** Dean Point, St. Keverne, Helston, Cornwall, TR12 6NY

Two spacious farm cottages comfortably sleeping 8/10 people are hidden away, along a quiet lane approximately 1.5 miles from the heart of the charming Cornish village of St Keverne. They are located in one of the most beautiful areas of Cornwall, surrounded by open countryside and coastal views, and only a moment's walk away from the scenic coastal path that forms part of the Lizard Nature Reserve. The cottages possess large gardens, and a picnic area, which is an ideal setting for children and dogs to play, or to relax in the peaceful surroundings. Both cottages are kept to immaculate high standards; are tastefully decorated, well furnished and equipped to ensure that you make the most of your stay.

**St Keverne** is an enterprising village with an attractive square surrounded by a beautiful Church, two pubs, one butchers' shop, post office and village shop. The village forms part of the unique Lizard Peninsula. Stunningly beautiful at any time of the year, there is nowhere quite like it. There are tiny fishing villages huddled into their coves, looking now much as they did centuries ago, and beautiful beaches scattered across the coastline.
