

HOW DO I REPORT A NM / HA?

If you spot a Near Miss / Hazard Alert don't stay silent – keep yourself and others safe by reporting it:

- Use the INTELEX system – either via desktop or the app

- Fill in the physical cards that can be found at any of our sites

A physical card for reporting a Near Miss / Hazard Alert. The card has a yellow border and a white background. It features the CEMEX logo and the title 'Near Miss / Hazard Alert...'. Below the title, there are fields for 'Site Name', 'Location of Near Miss Incident / Hazard', and 'Brief description of Near Miss Incident / Hazard and any actions taken'. At the bottom, there is a small box with definitions for 'Near Miss' and 'Hazard Alert', and a 'Please Turn Over' instruction.

- Speak to your supervisor and they can register for you

NM / HA are an early warning and can prevent serious accidents and injury.

Reporting is quick, easy and vital!
