How to Log in:

Follow this link :

Home : Home Page : Intelex
6.6.14.0

Intelex will automatically log you in.

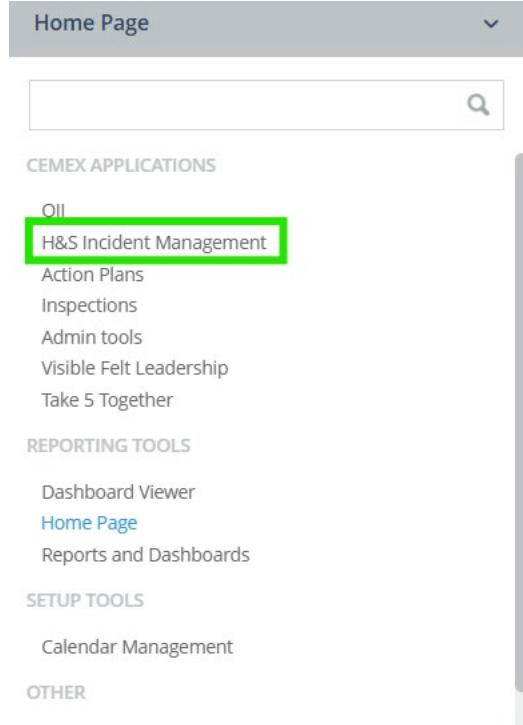

The dashboard features a central 'H&S Dashboard' section with the 'Zero4Life' logo. To the right are four boxes: 'User List (UK)', 'Report an Injury/Illness', 'Report NMHA', and 'Report VFL'. Below these are two bar charts: 'LTI's by Month 2025' (July, August, September) and 'TRI's by Month 2025' (January, March, April, May, July, August, September, October).

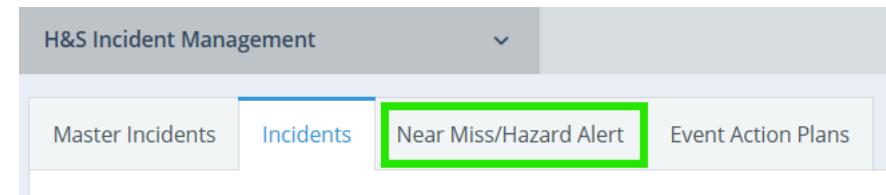

Month	Count
July	1
August	1
September	1

Month	Count
January	2
March	1
April	1
May	2
July	1
August	1
September	1
October	1

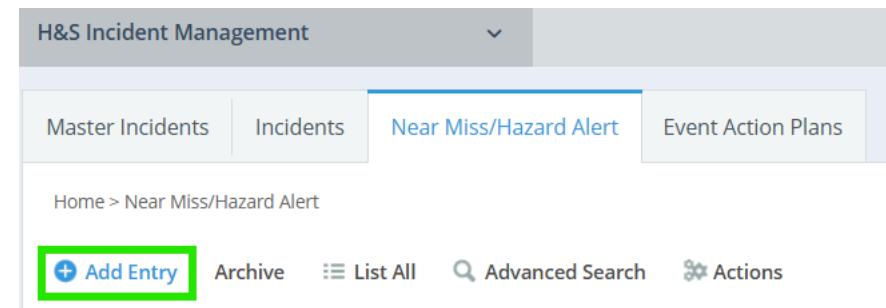

Step 1 – Click the Dropdown on the top left-hand side of the page and select ‘H&S Incident Management’

Step 2 – Select ‘Near Miss/ Hazard Alert’

Step 3 – Select ‘Add Entry’

Step 4 – Fill out the NMHA details

Home > Near Miss/Hazard Alert

Add Entry Archive **List All** Advanced Search Actions

Near Miss No.	Location	Location Code	Category	Date of Incident	Near Miss Description
2888527	Aston Plant I067	UK-L60295	Near Miss	7/28/2025	3 banksmen directing one truck at the same time, all giving the driver different instructions. This caused a lot of confusion for the driver. Luckily, there was no accident. Also, the hand signals used were inconsistent with what they actually wanted the driver to do.

You can now view all details for the NMHA selected
